

CORPORATE SOCIAL RESPONSIBILITY POLICY

FY 2014-2015

Dun & Bradstreet Technologies & Data Services Private Limited

Commitment towards Society & Environment

We will strive to act in a socially responsible way continually taking responsibility for improvements in the environment and social welfare. We aim at integrating economic, environmental and social welfare with the Company's growth.

Purpose and Aims of the Corporate Social Responsibility Policy

The purpose of this Corporate Social Responsibility Policy is to:

- To Promote Social Welfare
- Ensure company's positive overall impact on the society
- Make a difference in the society and improve the overall socio-economic growth of the country.

In implementing this policy we aim to:

- Comply with the provisions of the Corporate Responsibility Policy (CSR) as provided in the Companies Act, 2013 and the CSR rules.
- Be responsible;
- Be an exemplar of good corporate practice.

Corporate Social Responsibility Vision:

Our Corporate Social Responsibility Vision is contribute to the social good by:

1. Addressing the needs of the poor and the underserved, since poverty in India is widespread.
2. Contributing to High levels of literacy which will curb poverty and develop the nation.
3. Ensuring equality and empowering weaker sections of the society.
4. Ensuring environmental sustainability
5. Promoting rural development and making village communities self-reliant.

Corporate Social Responsibility - Activity:

Keeping in view the corporate social responsibility vision and activities falling within the purview of schedule VII of the Companies Act, 2013 the CSR Committee has identified the following causes/issues towards which the Company may contribute:

CAUSE1.

“Eradicating extreme hunger and poverty and malnutrition, promoting preventive health care and sanitation and making available safe drinking water”

CAUSE 2.

“Promotion of education, including special education and employment enhancing vocation skills especially among children, women, elderly, and the differently abled and livelihood enhancement projects”

CAUSE 3

“Promoting gender equality, empowering women, setting up homes and hostels for women and orphans; setting up old age homes, day care centers and such other facilities for senior citizens and measures for reducing inequalities faced by socially and economically backward groups”

CAUSE 4

“Ensuring environmental sustainability, ecological balance, protection of flora and fauna, animal welfare, agroforestry, conservation of natural resources and maintaining quality of soil, air and water”

CAUSE 5

“Rural development projects”

Modality of Execution:

Registered Societies/Trust

As decided by the Corporate Social Responsibility Committee the Company will undertake its CSR activities through registered trusts or registered societies with an established track record of three years in undertaking the respective activities identified. The contribution will be made by way of monetary donations.

Implementation Schedule:

Identification of Registered Trust/Societies, projects and programmes will have to be done in line with the decision taken by the Corporate Social Responsibility Committee.

Expenditure for FY 2014-2015:

For the FY 2014-15 the Company will spend the amount as decided by the Corporate Social Responsibility Committee.

Roles and Responsibility

The Corporate Social Responsibility Committee will Monitor the CSR policy from time to time and ensure its implementation.

Monitoring and Reporting Mechanism:

Compliance with this policy will be continuously monitored and subject to review by the Corporate Social Responsibility Committee of the Company supported by the Management. Compliance will be reported to stakeholders through the Company's Board of Director's Report included in the Annual Report.
